Dear **Business Name** ,

**Date**

My name is **Your Name** and I am a **year** at Nease High School. I am a member of the Track & Field team. My **event(s)** is/are **event** , **event** , **event** , and **event** . My personal goal for the upcoming season is **briefly state goal in ten words or less** .

In St. Johns County, high school sports are pay-to-play programs. As a team, we are responsible for expenses like uniforms, equipment, lodging and transportation. Each athlete is responsible for a portion of these expenses. In order to manage the costs, we do a handful of fundraisers too.

I am asking you to support our program in the upcoming season with a financial contribution. The team established contribution levels and appreciates any amount you wish to contribute. Please see the chart below to see how your sponsorship will be an opportunity to broaden your business exposure. At any given meet, we range from 300 to 2,000 athletes and spectators from all over the greater Jacksonville area.
