

2023 Boys Golf

Coach: Steve Horner

Email: stevenahorner@gmail.com

Panther Boys' Golf Team tryouts are scheduled to take place as follows:

Thursday August 3 – site TBD

Friday August 4 - site TBD

Tuesday August 8 – site TBD

In the event of a round being cancelled due to inclement weather, qualifying may extend to Wednesday August 9 and/or Thursday August 10

Please check the following team website for updates: <https://neaseathletics.com/fall/boys-golf/>

General qualifying information

Each qualifying round will either be 9 or 18 holes. All players will have the opportunity to arrive prior to the first tee time and use range and practice green to prepare for that day's round. Players need to bring their own clubs, golf balls and water. Proper golf attire must be worn at all times. Depending on the number of players attempting to make the team, cuts to the qualifying field may be made each day.

Also needed prior to the first qualifying round will be current physical and consent forms, which can be completed online via www.athleticclearance.com. There is also a "register" link on the Nease Athletics site that has links and explains the entire process. Athletes do not turn in paper copies of anything with the exception of the GA4 transfer form IF they're coming from another school. This process MUST be completed prior to the start of qualifying.

Anyone qualifying for the team will be required to play a team fee of \$500, which includes uniform, transportation to away matches, banquet dinner at the end of the year, tournament entry fees and team awards. If a team member does not have access to a suitable facility to practice and play, special pricing is offered by the Palencia Club for their junior golf membership.

The competitive season will run from August 21 through early November with the State Championship Finals. Home and away matches will be scheduled to begin from 3:00PM – 4:00PM and may require early release from classes. The schedule will consist of approximately 16 matches/tournaments, plus District Championship, Regional Championship and State Championship. A schedule will be published prior to the start of the season.

If you intend on qualifying, please complete the following information sheet and provide to Coach Horner via email.

2023 Boys Golf Team Player Information

Name: _____ Grade: _____
